AccuBird®

Advantages

1. Plastic case

The AccuBird® comes in a new attractively designed, practical plastic case.

2. 1.3 Ah Li-Ion battery with new battery management

These li-ion batteries are equipped with a new battery management system that enables even longer battery life. The batteries are therefore always ready to use.

3. Made in Germany

Developed and produced in Germany since 1992.

Scope of delivery

- AccuBird®
- Li-Ion battery 14.4 Volt / 1.3 Ah
- Charger 14.4 V Li-Ion
- Plastic case
- Nosepieces 17/24, 17/27, 17/29, 17/32
(more dimensions available as special accessories)
