# FireBird®

## Advantages

### 1. Plastic case

The FireBird® comes in a new attractively designed, practical plastic case.

### 2. 1.3 Ah Li-Ion battery with new battery management

These li-ion batteries are equipped with a new battery management system that enables even longer battery life. The batteries are therefore always ready to use.

### 3. Made in Germany

Developed and produced in Germany since 1992.

## Scope of delivery

- FireBird®
- Li-Ion battery 14.4 Volt / 1.3 Ah
- Charger
- Plastic case
- Threaded mandrel and nosepiece M4, M5 and M6 (more dimensions available as special accessories)
- 1 hexagonal wrench
- 1 double open ended wrench SW 24/27
- Operating manual

## Accessories

- Threaded mandrel and nosepiece M3 up to M10 and special lengths
- Conversion kit\* for blind rivet nut studs M4 up to M8

\*Easy conversion of the tool for setting blind rivet nut studs and cylinder screws.
